**Bloodthirsty**

*Twilight* vampire **Peter Facinelli** — Dr. Carlisle Cullen in the hit films — went looking for blood at the Pembroke Mall in Virginia Beach, Va., on Aug. 15 and snared more than 100 “victims.” But they were all willing to give up the goods as part of an American Red Cross blood drive hosted by Peter, who graciously took photos with fans, signed autographs and donated a pint of his own red stuff!

**Close Call**

**Christina Aguilera's** next hit was narrowly saved from the dumpster! During an Aug. 15 dinner with hubby **Jordan Bratman** at L.A.'s Osteria Mozza, the Grammy winner was struck by inspiration. “She scribbled down lyrics on a napkin” a source tells *Star*. But when Xtina wasn't looking, a busboy cleared the table — and took the inked-up napkin! “Christina ran after him and found the napkin on top of a plate, unharmed.” Lucky girl!

**Daddy Duty**

**Cam Gigandet** is turning into a creature of the night — but unlike his villainous vampire, James, in *Twilight*, this time it's innocent! Cam and his girlfriend, Dominique Geisendorff, welcomed daughter Everleigh Ray on April 14, and now the actor is “a master diaper changer who gets up at all hours to feed her,” an insider tells *Star*. “He even gets up in the middle of the night to sing her lullabies until she falls back to sleep.” ★

**Hot! Hot! Hot!**

Look out! There's a new hottie moving into TV's most famous zip code! *90210* star **Jessica Lowndes** was spotted locking lips with new kid on the block **Trevor Donovan** while filming a scene in Santa Monica on Aug. 19. Things got so steamy, he wound up with her lipstick on his teeth and needed a napkin to wipe it off!
