Despite the rain (more like drizzle) in LA last night, *Star* magazine threw their 5th birthday bash at Hollywood club **Bardot**. Umbrellas in hand, pretty faces salvaged their hairstyles and Louboutins as they attempted to dash from their limos to the club in seconds flat. After they had dried off, I was able to talk to some of the evenings attendees, who included **Ice-T**, **Adam Lambert**, and Pussycat doll **Melody Thornton**. Some choice celeb quips below!

Adam Lambert: "There is a lot of pressure right now! My pre-sales are really adding up, and I just want to make my fans happy and live up to their expectations."

Joe Francis from *Girls Gone Wild* on allegations that he recently attacked **Brody Jenner's** girlfriend in a club: "I'll see you in court. Oh, and Brody Jenner has a little penis. That's what **Lauren [Conrad]** told me."

Aubry Fisher from *LA Ink*: "I wish **Bananarama** would make a come back."

Ice-T: "I think a talented young artist right now is **Drake**. The kid is hot, he has a great singing voice, and has it in him to become the next **Common**."

Glee star **Mark Salling:** "**Elliot Smith** and **Alice in Chains** are in my car right now. The groups rock."

Melrose Place star **Shaun Sipos:** "I'm not as bad as my character, I actually stop and sign autographs."

Melody Thornton of **The Pussy Cat Dolls:** "Presentation and Personality is everything."

Fame star **Walter Perez:** "I went to school in Watts and I know **Dr. Dre** is from that area too. He has been a hero for me and if I could collaborate with anyone it would be him."

Cobra Starship: "**PAPER** Magazine is our favorite! How can we get in it?"

Tami Farrell, Ms. California: "Being in love is my best beauty tip, it keeps you young and happy."
