Move Over Britney -- "It's Kristine Elezaj B*tch"

THURSDAY, JANUARY 28, 2010 AT 7:27PM

They're calling her **the next Britney Spears**, and I really hope she is because God knows Britney needs to be relieved of her pop star duties.

Kristine Elezaj is her name, and she sounds **like Britney with more of a dance/club music vibe**. The best thing about this chick is that she's a part time pop star, and a **part time RACECAR DRIVER**. Basically, she's **man's ultimate fantasy**.

Check out two of her music videos below for her hit songs *"Let You Know"* and *"Souvenirs"*:

"Let You Know"

"Souvenirs"

Supposedly she's **"the next big thing."** I see potential, but I'm not sure how she'll survive in a music business where she'll have to compete with **Lady Gaga**.

For more Kristine Elezaj, you can buy her music on **iTunes**, hit up her **official website**, or **follow her on Twitter** -- WE ARE! :)

What do you guys think? Is Kristine going to be the next Britney? Or will she be another blip on the pop music radar?
